2. <sup>5</sup> Subject to the foregoing, no later than October 1, 197~~4~~<sup>5</sup>, the parties shall exchange proposals for new rules or modifications of existing rules. No later than November 1, but if possible earlier than November 1, 1975, the parties shall commence collective negotiation sessions.

County Superintendent, agenda of Board meeting during the school day of meeting, approved minutes, and names and addresses of all teachers in unit.

C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.

D. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

### **Article III** **GRIEVANCE PROCEDURE**

A. Definition:

A "Grievance" shall mean a complaint by a teacher or the Association that there has been to him a personal loss, injury or inconvenience because of a violation, misinterpretation or misapplication of this Agreement or Board policies. A grievance to be considered under this procedure must be initiated in writing by the teacher or the Association within thirty (30) calendar days from the time when the teacher or the Association knew or should know of its occurrence. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Procedure:

1. a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant or the Association to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

b) It is understood that grievants shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. Any complainant who has a grievance shall discuss it first with his superior in an attempt to resolve the matter informally at that level.

3. If as a result of the discussion, the matter is not resolved to the satisfaction of the grievant within five (5) school days, he shall initiate a grievance in writing to the principal specifying:

- a) the nature of the grievance;
- b) the nature and extent of the injury, loss or inconvenience;
- c) the results of previous discussions;
- d) his dissatisfaction with decisions previously rendered.

The principal shall communicate his decision in writing to the grievant within three (3) school days of his receipt of the written grievance.

4. The grievant, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the grievant, the Association and the principal.

5. If the grievance is not resolved to the grievant's or Association's satisfaction, he or they no later than (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and render a decision in writing and forward

copies thereof to the grievant and to the Association within thirty (30) calendar days of receipt of the appeal. If the Board makes the decision not to hold a hearing, the grievant and the Association shall be notified of this decision not later than thirty (30) calendar days after receipt of the appeal. Grievances to be presented to arbitration shall be limited to the application or interpretation of this written Agreement. Decisions of the Board in the following matters shall be final and such decisions shall not be subject to the arbitration procedure:

- a) a complaint of a non-tenure teacher which arises by reason of his not being re-employed; or
- b) a complaint by any certified personnel occasioned by lack of appointment to or lack of retention in any position for which tenure is either not possible or not required.

6. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with an appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided adjustment is not inconsistent with the terms of this Agreement.

7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party it shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision.

8. a) A request for arbitration shall be made by either party to the American Arbitration Association. The parties agree to be bound by the voluntary labor rules of the American Arbitration Association.

b) the arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The decisions of the arbitrator shall be binding on the parties. Only the Board and the aggrieved and his representatives shall be given copies of the arbitrator's award. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

9. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

C. Rights of Teachers o Representations:

- (1) Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association.
- (2) When a teacher is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and receive a copy of all decisions rendered.
- (3) The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his personal grievances.

- D.
1. If, in the judgment of the Association, a grievance affects a group or class of teachers in more than one school, the Association may submit such grievance in writing directly to the Superintendent and the processing of such grievance shall commence at that level. The Association shall have the exclusive right to pursue such grievances.
  2. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file.
  3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Association and the Board and given appropriate distribution so as to facilitate operation of the grievance procedure.

E. Costs:

1. Each party will bear the total cost incurred by themselves.
2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

Request for further extension will be presented to the Board by the Superintendent.

Such leave shall be granted with full pay and shall not be accumulative.

3. Upon reasonable notice, any tenured or non-tenured teacher seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board for said leave at any time prior to birth. At the time of application, which shall be made upon reasonable notice to the Board, the teacher shall specify in writing the date on which she wishes to commence leave and the date on which she wishes to return to work after birth. The Board may require any teacher to produce a certificate from a physician in support of the requested leave dates. If the Board's physician is in disagreement the conflict of medical opinion shall be resolved by physician

selected by the Monmouth County Medical Society. Where medical opinion is supportive of the leave dates requested, such requested leave shall be granted by the Board, except that the Board may change the requested dates upon a finding that the grant of leave for those dates would substantially interfere with the administration of the school and provided that such change by the Board is not medically contra-indicated. Such extension or reduction shall be granted by the Board for an additional reasonable period of time except that the Board may alter the requested dates upon a finding that such extension or reduction would substantially interfere with the administration of the school, and provided that such date change by the Board is not medically contra-indicated. The Board may require any teacher to produce a certificate from a physician in support of the extension or reduction of requested leave dates provided that if the Board's physician is in disagreement, the conflict of medical opinion shall be resolved by a physician selected by the Monmouth County Medical Society.

A teacher returning from pregnancy leave of absence shall be entitled to all benefits to which teachers returning from other types of sick or disability leave would be entitled.

5. No tenured or non-tenured teacher shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and her desired date of return except as is provided in this order. Nothing contained in this paragraph shall be construed to preclude the Board from requiring any teacher after birth of her child to produce a certificate from her physician showing that she is physically capable of resuming her duties, provided that if the Board's physician is in disagreement, that conflict of medical opinion shall be by a physician selected by the Monmouth County Medical Society.
